NARGUND
COLLEGE OF PHARMACY

ABOUT US

Established in 1992 and consistently worked towards imparting quality education in pharmacy, Nargund College of Pharmacy is renowned for its educational programs in pharmaceutical sciences. The campus has state-of-the-art infrastructure and allied with highly experienced and qualified staff and their national and international collaborations. The college prepares the next generation of pharmacists, pharmaceutical scientists, and pharmacy leaders.

College campus is set in the heart of Bangalore city. In addition to the educational and clinical opportunities offered through Nargund College of Pharmacy, the college provides students with patient-oriented service projects through education and research. The College reflects the multi-cultural composition of its host city.

Welcome to the Nargund Experience!!

We at Nargund College of Pharmacy greatly focus on giving the most advanced training and hands-on experience to the students through various collaborative research projects.

With the college's strategic location in the heart of Bangalore, the College is able to provide unsurpassed educational and collaborative opportunities to the train students.
